ABOUT THE ORGANISATION:

BACKGROUND:

WARS which literally means ‘Yuddh’ (Struggle/Fighting), is a voluntary organization, operational areas in the state of Jharkhand and Odisha, (India), since 2001, The organization was conceived as an effort of few socially sensitive people who came from different backgrounds, charged with the vision of working with the vulnerable sections of the society and address issues giving rise to such vulnerabilities. Therefore, during 2006, its birth by a group of social workers. Since that day, it has come a long way and implemented a lot of programmes. The aim of starting such an agency was to unite the people and to make them agents of their own development. Its Registered Office is situated at Gua of West Singhbhum district. Its doors are open for all those who are interested to do some social work selflessly or contributes for social developments. It renders services to all irrespective of caste, creed and colour. Success is our motto and we believe in the fact that talkers are never good dears”. Our work and output speak for us. The members as well as the office bearers of our organization are fully dedicated themselves for the sake of rural poor men, women, children, irrespective caste, creed & religion, who are being exploited by literacy, poverty and blind beliefs. We are true, sincere and genuine workers. We have done our much valuable work silently. The organization works in association with people, Government and non-Government organizations.

Aadivasi’s Reformation & Welfare Society (WARS) is such an NGO, Its operational areas are very backward. We operate in 2 district of Jharkhand (East & West Singhbhum) and 6 districts of Odisha viz. Keonjhar, Khurda, Salepur, Dhenkanal, Jagatsinghpur and Cuttack. Our operational areas include both rural and urban areas. We work among the poorest viz. scheduled castes, scheduled tribes, vulnerable poorest children and women from BPL families, the Aged needy persons and delinquent youth /drug-addicts from all communities. Poverty, Illiteracy, High Mortalities, Social Ignorance, Family Disorganization, Domestic Violence against Women are some crucial problems. The rural areas witness severe caste divide, the ST/SC being the major dominant caste who are the land owners and politically powerful group.

Today the organization has deep rooted understanding and experience in various fields like various Health related programme, Agricultural development programme, Educational developments to the poor section, Community Based Rehabilitation, with special focus on rehabilitation of widow, women and children, Promoting and Strengthening peoples organization, Child Rights, Disability issue etc.
PROGRAMMES DURING THE YEAR 2018-2019

WOMEN EMPOWERMENT PROGRAMME :-

A major area of concern for Aadivasi’s Reformation & Welfare Society (WARS) has been the “Women Empowerment” since last years it has taken up well-planned programme of awareness generation, group formation, leadership development, skill training and income generation programmer for women. In fact it is the part of broad framework of raising the status o women of the area especially of the underprivileged categories. Secondly, the strategy of Mukti towards any developmental effort has been the involvement of women as catalysts. In order to involve the village women in the process, the first and foremost approach has been women meetings and awareness camps for them. Last year Aadivasi’s Reformation & Welfare Society (WARS) had organized a number of women meetings, training and awareness camps. All the target villages had been covered and 500 women were trained in it, each camp was of one-day duration.

PLANTATION AND ENVIRONMENTAL DEVELOPMENT PROGRAMME :-

Taking waste land management programme as a total development programme for the rural areas, our organization actively participated in various watershed development programme and Medicinal plantation programmes of Noamundi Block of West Singhbhum district. Under this programme, our organization took active parts of awareness creation amongst the people through various village meetings as well as through entry point programme in the rural areas in kharif and rabi seasons. Through farmer’s fare, people were given training and guidance for proper use of land use system as well as improved waste land management methods. Under this programme, all the activities were selected through PRA method (Participatory Rural Appraisal Method) for smooth execution of watershed development programmes. On June 5th is the World Environment Day.

For promotion of environment we have taken following awareness and training programme during 2018-19. To create general awareness among the down trodden people on day foot march has been organized on dated 23.09.2018 taking almost 6 villages by leaders from concerned villages. Foot March covered ten villages and mass contact, slogan, village meetings were medium used for generating awareness. The villagers were convinced for need of protection and its conservation. After the Foot march a meeting was organized by the organization and invited resource persons like mines owners and transporters. The resource person discussed such as preservation of forest and protection of new forest, use sanitary latrine in stead of open latrine system and use alternative fuel. On June 5th is the World Environment Day.
This year we have organized Swachha Bharat Abhiyan Awareness programme in various schools as well as communities in the Cuttack and Jagatsinghpur district of Odisha. We organized Art and Paint Completion on Swachha Bharat Abhiyan in std 4 to 6 in various schools and we promoted our national level awareness programme. We focused on campaign.
HEALTH AWARENESS PROGRAMMES :-

Sanitation Awareness Programme under CSR :-

We have organised more than 20 Sanitation Awareness Programme in 12 schools and 8 communities in the various villages of Cuttack district, Odisha. Our trainers visited with overhead projector and conducted almost 2.5hr.programme with minimum 100 nos. of community women as well as students attended in each programmes. We aware people how to keep healthy themselves within their environments.

Digital Awareness Programme under CSR :-

We have organized more than 10 Digital Awareness Programme in 10 different communities in Cuttack district. Especially Women participation was there. In a single programme more than 100 women was present and more than 25 points to be awares in this digital awareness programme.
We have been working on spreading awareness about digital literacy and sanitation/cleanliness in different parts of Odisha since last 6 months associated with CINET IT Solutions, Bhubaneswar. We have organized over 100 such programs so far covering different areas of the districts - Balasore, Bhadrak, Mayurbhanj, Baripada, Kalahandi, Nayagarh, Cuttack and Khurda. Minimum 100 people attend each awareness camp. So, we have trained over 10,000 people on the importance of Digital literacy and why proper sanitation is required.
EDUCATIONAL INTERVENTIONS:-

Play Schools for Nursery Children :-

We are also providing play school education for age group 2.5 yrs. to 5 yrs. in subsidized fees. It has been noted that since last 18 years, a play nursery school is running in the name of St. Vivekananda English Medium School, located at Gua of Noamundi block, West Singhbhum, Jharkhand, presently renamed with Vivekananda Public School and we are supporting various play schools in the villages of Keonjhar district and Baranga block of Cuttack district, Odisha. “Children are the Father of Nation” is the prime slogan of the organization to develop various play school in the village level or semi urban places. Shortly we are going to open many play schools in the cuttack district and Keonjhar district. Our organizational staffs are working voluntarily to develop the same and this is also a self employment generation programme. Especially ladies will be self dependent and engaged herself in this education programme.
C. OTHER PROGRAMMES:

Road Safety Programme

This year we have organized various programmes as well as campaigns on road safety and traffic rules awareness programmes to different communities and schools. Most road safety education programs are aimed at children and young people and are delivered in schools. ... Road safety education can be provided to children as early as kindergarten/pre-school, and continue through to the end of high school. The topics that are covered will depend upon the age of the students. The Road Safety Education Program is funded by the Centre for Road Safety in government and non-government schools. Road safety is taught in the learning area of Personal Development, Health and Physical Education (PDHPE). All students in NSW study PDHPE from Kindergarten to Year 10.

During throughout the year, we celebrated various social and religious programmes like Independence Day Celebration, Republic Day Celebration, Saraswati Puja Celebration, National Youth Day cum Vivekananda Jayanty, Subash Ch. Bose Jayanty, Art and Paint Contest, Fancy Dress Contest etc.
With lot of hopes, we have welcomed the new financial year. Let the new financial year give prosperity to the have-notes and hope for the hopeless. Thanks are to be those whose help has enable us to contribute something towards social development.

I, on behalf of Aadivasi’s Reformation & Welfare Society (WARS) do hereby declare that the particulars given above are true to the best of my knowledge and belief.
